Vendor Partners,

WinCo Foods will be making a change to the WinCo Grocery & Variety Policies. The change communicated here will be effective on Jan. 4, 2021.

- An In & Out Placement Allowance will be charged on In & Out Items
  - Warehouse items: $500 per item, flat fee
  - DSD items: $250 per item, flat fee

Sharing the costs related to product placement is a standard industry practice. WinCo has decided to adopt this practice. The small fee will help offset costs of set-up, slotting and placement of In & Out items in our stores.

Thank You,

Kathy Miller
